Pursuant to Commission Regulation 807 KAR 5:056, the Commission on June 13, 1996 established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of Jackson Purchase Electric Cooperative Corporation ("Jackson Purchase") for the 6 months ended April 30, 1996.

As part of this review, the Commission ordered Jackson Purchase to submit certain information concerning its compliance with Commission Regulation 807 KAR 5:056. Jackson Purchase has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that Jackson Purchase has properly calculated and applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Jackson Purchase through the FAC for the period November 1, 1995 through April 30, 1996 be and they hereby are approved.

Done at Frankfort, Kentucky, this 11th day of October, 1996.
